## 11th Annual Fashion Show

Our August 18th fashion show is a fun-filled fundraising event complete with a runway, lights and sound system. All guests are asked to purchase a \$10.00 ticket for themselves and sell 4 additional tickets to family, friends and co-workers. Models are free.

This is a wonderful opportunity to show case children in a positive light. It encourages and helps to build self-esteem, self-confidence, and self-discipline. This fundraiser also teaches the social skills needed for working together with others.

Ross Dress for Less and Kohl's stores sponsor the children's fashion show attire. We are scheduled for wardrobe fittings the week of August 1st. The children and teachers will select age-appropriate outfits that the children will model. Parents are encouraged to purchase the outfits (ranging from \$15 to \$25) in support of Ross's sponsorship of the children. Only children purchasing the outfits can wear them home after the show and make payment on Monday. Those not purchasing outfits must return them immediately following the show for return the next day.

**All children** are encouraged to participate in this family fun event! There will be **no pick up** on the day of the show for participating models. Our models will be given dinner at the Center. **All students not participating must be picked up by no later than 12:00 noon the day of the show!** It is a remarkable event so mark your calendars, bring your cameras and camcorders and we'll see you there!

## Just Add Sleep!

For sleep-deprived children, social and school troubles start early. The National Sleep Foundation states that

children eight years and younger need 10 to 11 hours of **sleep every night**. One hour less of sleep worsens inattentiveness and hyperactivity, leading to ADHD-like symptoms (known as "faux" ADHD) Sleep-deprived children may not appear sleepy but may act hyper and goofy.

Children learn while they sleep. During sleep the brain processes information, integrates new information and memories according to the American Academy of Sleep Medicine.

Help your child get a better nights' rest. Establish an age-appropriate bedtime and be consistent with your routine. Children this age do not outgrow the need for a consistent bedtime and bedtime routine. Then enjoy the results of a better rested child!

## Communication Boards

All parents should be in the habit of checking our communication boards daily. They are the white dry erase board in our main entrance and hanging on the outside window of the chapel. We provided daily information about field trips and upcoming happenings at our Center. For your convenience other forms of communications can be found on our parent sign-in table such as fliers, daily sheets and newsletters.

## Swiping In Counts

CCS parents must swipe in and out for attendance. The swipe attendance machine is located in the office on the desk. You must have an attendance card and log-in to sign children in and out daily. The slips must accompany the child and be given to your child's teacher before drop off and pick up in all classes. So please be sure to sign your child in and out so they are accounted for! **Thank you!**

together to keep all field trips.

## Chapel Time

This month we will learn the meaning of "The Lord's Prayer" and we will memorize it along with Psalm 23. We will also practice singing various new Christian songs. We have chapel every Friday between the hours of 9:30am and 10:30 am, and 20 minutes of Christian Time throughout the day. Please check with your child's teacher for their scheduled time.

Join us on Sunday School / Bible Study at 9:30am Sunday mornings, followed by an 11:00am worship service. Nursery care is provided.

*God Is Good!*

## Is Your Child Prepared?

Is your child ready for the day's activities? A **messy accident** that he/she might cause or take part in can be a complete disaster without a change of clothes when they get dirty? Every child needs a change of clothes to be prepared for school or summer camp.

Summertime activities include the proper attire each day. Toddlers and Preschool students must come dressed in their swim gear on Fridays with the change of clothes and towels in a plastic bag. Preschool students must wear their field trip shirts on Wednesday.

Your child will also need a crib size sheet and blanket weekly. You may bring a pillow and nap buddy as well. Take bedding home on Fridays.

## Field Trip Expectations

Children are held accountable for their behavior. All field trips are to be earned for attendance. Children that are uncooperative in school or on trips are not allowed to attend the field trips due to supervision and safety concerns for the group. Let's work

# CLASS CORNER

## Toddler Ones

Ms. Promise

We welcome Ms. Promise as our full time Toddler 1 teacher. She will be entering U.T.S.A. in the fall. She has made the transition easy for both children and parents.

## Toddler Two's

Ms. April

We have lots of summer fun planned. Be sure to dress for splash day before you bring your child to school. Don't forget the towel with your child's name on it.

## Terrific 3's & 4's

Ms. Annette

We have added more summer activities to make the long hot summer days more fun for our preschool children. Check the activity board for updates!

## Happy Birthday!

If you are celebrating a birthday, we hope you have a blessed day!
