Happy Birthday Dr. Seuss 3/2/07

Theodor Seuss Giesel better known as Dr. Seuss chose to use his mother's maiden name and the prefix "Dr." to write under because she always wanted her son to be a doctor.

He was born on March 2, 1907 and died in 1984 at the age of 77. He was a teacher of reading and a teacher of tolerance as taught in many of his books.

We celebrated his life by honoring him with our 7th annual "Green Eggs and Ham" breakfast. In doing so, we teach children to always take a "no thank you bite" when trying something new.

Picture Day March 15

Picture day is coming for **all students in attendance**. Mark your calendar and polish those smiles! Picture day is Thursday, March 15.

The portrait background will have a spring theme. The Lifetouch photographer will start at 7:30 a.m. Everyone is invited so take advantage of this time for family portraits.

Medication In 1/2

Did you know that you can get your pharmacist to divide any prescribed prescription in half to make it easier for medication to be given at the Center? They will provide two bottles of the same prescription: **one for home and one for the Center**. No more remembering to cart the bottle back and forth from home, missing dosages, or loss of refrigeration time. **Just remember to ask for two bottles!**

Spring break 2018

(School Age Students)

Spring break is from March 12 through March 16. Our Center will be open and offers full time care for school age students at a cost of \$185. There will be daily activities and two field trips. Ms. Searra has planned to make this a fun filled week. Children may bring their electronic devices (no phones) and DVDs. We are excited to see all our Spring Breakers. Sign up end 3/9.

Use Electronic Pay!

With our electronic pay system you can set up automatic tuition debits or make tuition payments by phone. You can also use your **MasterCard or Visa Card** if you forget to make a payment or if your child is absent. This will help avoid late fees.
